Landscape
Architecture

Located on the Saigon River, the new Saigon Legend Hotel has the most extensive exterior landscape of any hotel in Ho Chi Minh City. The design reflects the inherent character of Vietnam through the use of local granite fountains, colorful tile and steel structures and lush tropical plant material.

正因坐落於西貢河畔，西貢Legend Hotel座擁胡志明市中所有旅館沒有的傲人之天然美景。其設計透過使用當地特有的花崗岩所建造的噴泉，馬賽克拼花鋪面，及鋼骨構造物，造搭配綠意盎然的熱帶植栽，展現出越南特有的傳統風情。
