景觀設計工程

Located on the Huang Pu River, directly across from Shanghai's famous Bund, this elegant residential project is comprised of four forty storey towers. An extensive stone plaza and water garden containing twelve fountains provide passive recreational open space and spectacular views of the River and the Bund.

基地臨黃浦江，正對上海著名的碼頭區。這個優雅的住宅區是由四棟40層的大廈組成，內部開放空間寧靜、休閒式的氛圍，則由鋪設高級石材，且拼貼樣式獨特的中庭廣場，以及包含了12個造型各異之噴泉的水景花園，共同塑造而成。並因其區位的特殊性，本基地也成了觀賞黃浦江與碼頭風光的最佳場所。
